A Golden Past, A Bright Future... Celebrating 70 Years as America's One Stop Shop for Corporate Apparel!

During 2009, Dunbrooke will celebrate its 70th anniversary. Over the past 70 years, the company has borne witness to several changes, encompassing everything from its products to its name. In 1939, Dunhill Shirt Company began in the town of Lexington, Missouri. There, in a small manufacturing shop, Dunhill manufactured the finest quality shirts and sold to various local and regional companies. In the 1950s, the company changed its name to Dunbrooke Shirt Company and began manufacturing nylon jackets for Korean War soldiers for the U.S. Government. In 1971, the company, under its new name, Dunbrooke Sportswear, began manufacturing all types of high quality apparel from dress shirts to bowling shirts and nylon gym shorts to jackets.

In 2003, the company changed its name to Dunbrooke Apparel Corp. Operating from its headquarters in Independence, Missouri, Dunbrooke also has two state-of-the-art decorating and distribution centers located in El Dorado Springs, Missouri and Dallas, Texas. Its brick and mortar may have changed during the past 70 years, but Dunbrooke's commitment to quality product has never wavered. What began as a dress shirt company in 1939, has grown to become one of the nation's premiere apparel manufacturers in the promotional products industry.

Dunbrooke's focus on customer service is stronger today than it's ever been. While the company maintains an emphasis on high quality outerwear, in our 2009 catalog you will find a wide variety of men's and ladies knits, woven shirts, fleece, tees and our exclusive line of **Reebok** branded apparel, headwear and bags.
